

SAN FRANCISCO ETHNIC DANCE FESTIVAL

Festival Sponsors Needed

“I know of no regular event that more effectively, more movingly, recommends this country’s diverse inclusiveness than the annual San Francisco Ethnic Dance Festival.”

—Alastair Macaulay, The New York Times

World Arts West has proudly presented the **San Francisco Ethnic Dance Festival** for the past 40 years. In July 2019, we will be presenting our 41st annual Festival in **San Francisco’s majestic War Memorial Opera House. There will be one Festival show performed twice on the weekend of July 6 & 7, and a completely different show with all new artists on July 13 & 14.**

Through music and dance, the annual Festival showcases the beauty of diverse cultures that are thriving in the Bay Area.

In our current environment, your support is needed now more than ever. Your Festival sponsorship:

- Demonstrates the importance of cultural diversity
- Promotes cultural awareness
- Helps local culture bearers thrive

In appreciation of your support, your name will be:

- Shown in our Festival program book
- Prominently displayed at the Opera House
- Promoted in publicity materials distributed before and during the programs

Will you join us in celebrating the vibrancy and cultural diversity of the Bay Area by becoming a 2019 Festival sponsor?
